BENEFITS OFFERED TO OUR MEMBER ORGANIZATIONS

VISION 2020: The Right to Sight – INDIA A membership-based forum of eye care organizations in India

Introduction:

VISION 2020 INDIA provides an invaluable, historic opportunity to Eye Care Organizations and allied stakeholders to become key part of a movement and team focused on eliminating causes of avoidable blindness from India, as was done for eradication of smallpox.

We are doing this by focusing on key strategic areas of Advocacy for eye health, Policy and Program development and quality in Eye Care.

Our group has worked with the Government of India in the formulation of the XIth Five Year Plan (2007-12) for Blindness Control which has led to a fourfold increase in resource allocation and a program which is more comprehensive.

To bring about a national wide, system level impact, our group is focusing on key areas of Health Management Information System (HMIS), Quality of service delivery and training of Human Resources.
