Hotel Swosti Premium Bhubaneswar

Organised by

Rotary International District 3262

Odisha State Eye Health Network

Sightsavers India

Vision 2020: The Right to Sight India

About the Conclave

The 5th State Level Eye Conclave is Odisha's premier event for eye care professionals, bringing together thought leaders, experts, and practitioners to exchange ideas, share knowledge, and explore advancements in eye care. This year's theme focuses on leveraging innovation and collaboration to ensure universal eye health for all.

Why Attend?

Learn: Gain insights from national experts on cutting-edge advancements in ophthalmology and eye care management.

Connect: Network with like-minded professionals, organizations, and policymakers to build partnerships for better service delivery.

Inspire: Be part of discussions shaping the future of eye care in Odisha and beyond.

Showcase: Present your institution's achievements and explore funding opportunities to scale your impact.
